**DO:** Spending quality one-on-one time with God is crucial if we want to develop a deeper relationship with Him. Scripture mentions several instances when Jesus separated Himself from others to spend uninterrupted moments with God. If Jesus ensured He had “hang-time” with God, how much more do we need time with God? Take a few moments now and find a quiet spot where you won’t be distracted, and talk with God through prayer. If you don’t know what to say, why not ask Him to help you set aside one-on-one time with Him everyday. The opportunity is always there, so ask Him to help you follow-through.
