**WATCH:** [Make it Count](#)

**READ:** Acts 20:35; 1 Peter 4:10-11

**DO:** Have you ever thought that God has gifted you with certain strengths and talents so that you could use them for the benefit of others? Perhaps God has gifted you with a cheerful spirit, the gift of writing, the ability to make others laugh. Prayerfully write down a list of some of the gifts you believe God has given you. Next write down ways you could encourage and help others with your gifts.
