READ: Luke 21:1-4

DO: How do you give to God? With an open heart and unclenched fist, or with reluctance? In Luke 21:1-4, Jesus knew just how much money each of the givers had, yet He was more impressed with the small amount the poor woman gave. Write down why you think Jesus was more impressed with the lesser amount given by the poor lady, compared to the larger gifts given by the wealthy. What does this tell you about how Jesus desires us to give our offering to church? Next time the offering plate comes around at church, don't give only out of your abundance, give also out of your lack.
