**WATCH:** [The Cell](#)

**READ:** Galatians 5:16-26; 1 Corinthians 13:1-13

**DO:** Walking according to the Spirit means living your life in accordance with God's ways of doing things, rather than the world's way. Galatians 5:19-21 clearly states what living according to the flesh/world means. When living according to our flesh, it won't take us long until we realize we have fallen into the trap of sin. Sin will always take you further than you want to go, and will keep you longer than you want to stay. With an accountability partner, pray for one another to be strengthened to walk according to the Spirit all the days of your life.
