READ: 1 Thessalonians 5:12-13; 1 Timothy 5:17

DO: Have you ever thanked your pastor for a sermon that spoke to your heart, or a Sabbath School teacher/Youth Leader for their commitment to serve and teach? You can personally increase your church leaders motivation by expressing your appreciation to them. Why not write a thank you card, send a FaceBook message, or in person share with them how they have encouraged you.
