

Tithing

# h.a.b.i.t.s.

**WATCH:** [That's My Money](#)

**READ:** Matthew 6:24; Ecclesiastes 5:4-5

**DO:** Have you ever decided you were going to give tithe, but then for some reason or another, you kept on delaying writing that cheque, or handing in that envelope? What is holding you back? Scripture says, it is better that we should not vow than to vow and not pay. Do you fall into this category? If so, prayerfully commit giving the tithe due to God, and ask God to help you follow-through.
