DO: Has life ever confused you? Have you ever struggled with making a difficult decision? God has an answer to every confusing and tough scenario in our lives. If there is anything in your life that you are confused about or struggling with, take it to God in prayer. Ask Him to give you wisdom and courage to make the right decision. God will answer that prayer. He will answer it in his own time, and His own way. Why not choose to take your difficult decision to God right now and wait on Him, and obey whatever He says.
