

Tithing

# h.a.b.i.t.s.

**WATCH:** [God Pie](#)

**READ:** 2 Corinthians 9:7

**DO:** Think back to the last couple of times you have given either tithe or offering in church. Did you give from your own money...or money that your parents handed to you? When you give, do you give with a clenched fist, or open hands? God doesn't want you to give out of mere habit, He wants you to give to Him with an attitude of returning back to Him just a small part of what He has given to you. The Bible doesn't say, God loves a stingy and grumbling giver. It says God loves a cheerful giver. Ask God to give you a heart that delights in giving back to Him some of what He has so generously given to you.
