READ: Proverbs 11:25; Luke 6:38

DO: Do you like the smell of fresh bread at the bakery? This week why not bake some fresh bread with your youth group or class at school for your next-door neighbor, teacher or colleague. You can also attach an appropriate Bible text or note of encouragement to the special loaf you have made. This simple act of giving reflects God's loving character, and testifies to them what life with God can be like.
