

### **H.A.B.I.T.S.**

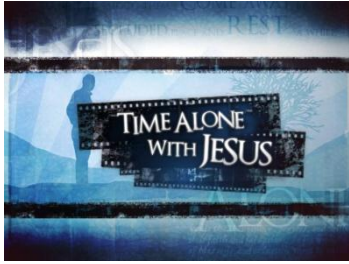

H.A.B.I.T.S. is not another program. It is centered on developing a personal relationship with Jesus Christ. H.A.B.I.T.S. aims to focus on getting Bible students to connect with God and grow spiritually on their own. H.A.B.I.T.S. seeks to have students not just be loaded with *information* but to have *transformation* take place through prayer and the reading of God's Word.

### **Practicing spiritual HABITS will be noticed by others!**

Practicing spiritual HABITS will result in knowing God better, and he'll shape you to be more like Jesus. When your life reflects Jesus—living according to God's way—people will notice the difference. It's more than just being a "better" person; you'll make an impact in your world!

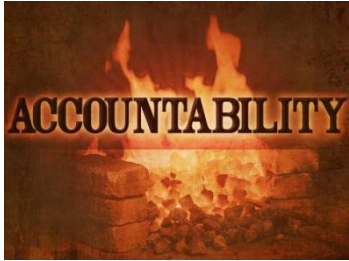

### **Practicing spiritual HABITS will go unnoticed by others!**

You may be thinking, "Wait a minute, you just said the opposite of this!" You're right, but, because you do these HABITS on your own, no one will see this "behind the scenes" area of your life. This means that few people will walk up to you and say, "Good job, thanks for having a quiet time this morning." Some people get discouraged in developing their HABITS because no one praises them for having a quiet time (or memorising Scripture, etc). God desperately wants one on one time with you and to help us remember that awesome fact He promises "I love those who love me, And those who seek me diligently will find me." Proverbs 8:17. God desires to spend time with us in fact one of the names given to God is Emmanuel which means "God with us."

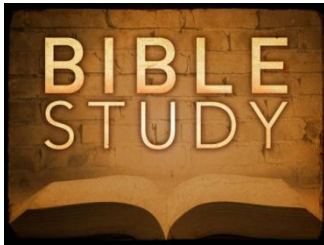

### **Hang-time With God**

Have consistent time with God through prayer and praying for and with others.

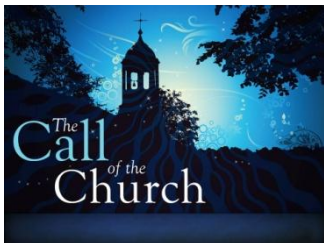

### **Accountability**

Have an accountable relationship with another believer. Choose someone to help keep you accountable in your walk with Christ.

### **Bible reading, Study and Memorization**

Have regular times when you read, study and memorise Scripture.

### **Involvement in Church**

Commit to the church body (not just the youth ministry).

### **Tithing**

Understand and participate in giving/tithing.

### **Service/Sharing your Faith**

Being the hands and feet of Jesus in a broken world is sharing what God is doing in your life with others, through personal testimony and serving others in your community.
